Amy,  
Will you pass this info to TCEQ about this system. The POC was unaware of BWN requirements. They are just about to bring their PWS back online and depressurized and emptied the system when they lost power. I told him we would email the info he needs.

PWSID: 1013171  
Texas Steel Conversion  
POC: Britt Eisenring  
281-960-3423
